PARKING LAW ENFORCEMENT FINALLY AT HAND

HIGH SCHOOL EXPANSION NEEDS CITED BY LAURANCE J. HILL IN TALK TO GRAMMAR SCHOOL PTA

In an address entitled "Let's Not Ration Education," Campbell High School District Superintendent Laurance J. Hill warned that local children may be subjected to inadequate educational methods unless present and potential overcrowded school conditions are alleviated.

Speaking before the Campbell Elementary School Parent-Teacher Association Tuesday afternoon, Hill explained that the present Campbell High School plant was built for a maximum enrollment of 700 pupils, yet it now has an enrollment of 1000 and faces a minimum of 1500 within five years. "Campbell was a rural area 12 years ago," he commented, "now it has become a suburban area." The superintendent exhibited slides showing new homes and residential subdivisions in the high school district, and told the PTA members that Campbell is one of the fastest growing areas in the county. He cited enrollment figures for the various elementary schools in the district, illustrating predicted enrollment figures for the local high school.

Campbell Elementary School enrollment has increased 183 percent in the last 10 years, he said, while Cambrian enrollment is up 282 percent; Moreland, 135 percent, and Union, 780 percent.

As a result of these tremendous increases in registrations at elementary schools feeding into the high school, Campbell High School enrollment is increasing at the rate of 200 pupils per year.

Directly affected by this enrollment growth are the limited school facilities, Hill continued. He cited such instances of overcrowding as the waiting list of 100 students for typing classes, and 150 girls on the homecoming waiting list.

In view of the question over the Bradley Manor annexation, votes polled from that area in the May 16 \$950,000 high school bond election will be kept separate from those for the balance of the Campbell High School district, he said, pointing out that due to this, it will be necessary for everyone in the entire district to vote in the bond election since a two-thirds majority of the votes cast is required to pass the bond issue.

The \$950,000 would provide 32 additional classrooms, increasing the high school's capacity to 1600 students. He stressed necessity for this expansion program in view of the fact that 3,225 new homes will be completed in the high school district by December 1951. Of the total issue, \$400,000 is to be set aside for purchase of a second high school site.

The present high school plant represents a \$2,000,000 investment by the taxpayers. Additional acreage already has been purchased between the present school plant and Latimer Avenue for future expansion.

The projected bond issue would cost the average home owner in the district about \$8 a year, or approximately 25 cents per \$100 assessed valuation.

OFFICER INSTALLATION

New officers of the PTA units were installed during the meeting by Mrs. H. C. Grimes, president of the Sixth District PTA. Those installed were: Mesdames Lloyd Brown, re-elected president; J. Kreider, first vice-president and program; O. D. Murdoch, second vice-president and Founders' Day; C. David Baxter, third vice-president and hospitality; C. O. Freude, secretary; Raymond Davis, treasurer; Roy Page, historian; William Burns, auditor; Felix Bersano, parliamentarian, and V. B. Royce, life membership.

Committee chairmen for the year are: Mesdames Richard Morton, publicity; Vernon Murty and Orville Johns, refreshments; Everett Nelson and Frank Lima, membership; Victor Carina, budget and finance; William Ostermeier, decorations; Henry Binley, magazine; Dale Hanson, parent education; Wayne Levy, radio and television; David Markum, citizenship; George Helser, room mother; Walter Sutton, community service, and Richard Flynn, room prizes.

For the afternoon program, Mrs. Lillian McCall directed the Girls' Glee Club in three numbers. Miss Allene Seese's sixth grade folk dancers presented selections.

Own Nelson of Troop 32 led the Flag salute, and Mrs. Everett Nelson the inspirational.

Campbell BPWC To Participate In Bay Conclave

Campbell's chapter of the Bay district's 45 Business and Professional Women's Club, will participate in the organization's annual spring conference to be held Saturday and Sunday, April 15 and 16, in San Jose.

Some 450 women from the Bay Area are expected to attend the conference which has reserved rooms in the San Jose Civic Auditorium for its roundtable discussions and meetings. General headquarters for the weekend's affairs will be the Sainte Claire Hotel where the banquet and luncheon will be held.

Anita Manson is the incoming president and is from San Jose. She succeeds Katherine Maloney of San Francisco.

In charge of decorations for the Sunday luncheon at the Sainte Claire will be the Campbell chapter's decoration committee, headed by Azalea Shaw.

Gwendolyn Steindorf is the president of the Campbell chapter. She announces newly-elected officers who will be installed at the next meeting, as follows: Cecile Schad, president; Dorothy Ellis, vice-president; Elice Schmidt, recording secretary; Doris Jensen, corresponding secretary; Leah Johnson, treasurer; Mary Gray, auditor; Irene Hodges, parliamentarian, and Winifred Tonkin, Marian Hill, and Gwendolyn Steindorf, directors.

Jane Parr will be in charge of the installation ceremonies to take place April 27 at the Country Woman's clubrooms.

Steak Barbecue To Open Drive

Campbell Junior Chamber of Commerce has extended an open invitation to all in the community who are interested in Junior Chamber work to attend a steak barbecue this Sunday, April 16, at 3 p.m., weather permitting, at the home of Charles Livingston, 348 Harrison Avenue. Reservations should be made by phoning either Campbell 2900 or 2454.

The barbecue will launch the Jaycee's membership drive for which plans were completed at their regular meeting Wednesday evening. Don Graciar will be drive chairman.

Only business to be conducted at the barbecue will be the nomination of new officers for the year.

Those attending are invited to bring their children.

Rotarians Hear Explanation Of School Bond Need

A group of girls from Campbell Union High School set the theme for the Rotary Club Monday with a song about the coming \$950,000 high school bond election, set to the tune of "Clementine."

High School District Superintendent Laurance J. Hill continued the subject, with an address to the local Rotarians on the need for the bond issue, to be considered by voters at a special election May 16.

Hill illustrated his talk with colored slides showing new housing developments in the district. The problem is one of growth, said the superintendent. By 1951, 3,225 new homes will have been completed in this vicinity. Due to the growth, the high school plant is overcrowded and the curriculum is limited, particularly in the vocational and commercial courses.

The speaker, former teacher of mathematics at San Jose High School, later serving as its vice-principal and acting principal, before assuming his present post about four years ago.

The quartet of songstresses included Carol Bohnett, Marlene Strong, Betty McCrary and Beverly Justice. In addition to the bond song, they sang "Rag Mop" and "Chattanooga Shoe Shine Boy."

Guests at the meeting were Ed Kirkish of Monte Vista, and Gene Etching of Palo Alto.

Hospital Use Permit Hearing Wed.; Federal, State Aid Possibility Dims

County Planning Commissioners will receive application of the West Valley Hospital District board of directors next Wednesday for a use permit to erect a 50-bed hospital on the San Tomas Road property selected for the site. The 10-acre site is now in escrow. Terms of the sale are not binding in the event that the commission rejects the use permit application.

Herbert M. Shadle of Campbell, chairman of the hospital board, said he had learned through the County Board of Supervisors that federal hospital aid funds are to be cut back from \$150,000,000 to \$75,000,000, thus creating the possibility that the local hospital district will be unable to obtain the federal and state aid sought to finance two-thirds of the hospital building cost.

"Some members of our board are against seeking this aid anyway," he said, "since they feel it would impose certain obligations." The board hopes to keep the hospital cost down to about \$400,000, and may seek to finance the hospital construction through a bond issue for the entire amount.

Reduction of estimated cost from the former \$870,000 to the present figure of \$400,000 would be possible through adaptation of building plans used in recent construction of a small hospital in a Southern California community, said Shadle. In general, the plans meet needs for the West Valley Hospital, and the architects have informed the board that the plans would be available at a small cost, the chairman stated.

Sewer Contracts Awarded For Two District Units

Pisano Bros. has been awarded the contract for installation of Unit 2 of the Sanitation District Four sewer trunk line, on a low bid of \$82,847.75, while contract for the installation of Unit 4 went to Charles J. Dorfman of Los Angeles who submitted the low bid of \$79,993.40. Completion of each unit in 140 days is called for in the contracts.

Unit 2 covers installation of 10,541 lineal feet of 18-inch sanitary sewer pipe along Moorpark Avenue from Santa Clara-Los Gatos Road to Meridian Road, and 1,827 feet of 21-inch pipe from the Meridian Road-Moorpark Avenue intersection to Saverker Avenue at Lincoln Avenue where it will tie in to the main San Jose sewer line.

Unit four is for 10,589 feet of 18-inch sewer pipe, to be installed along Meridian Road from Dry Creek Road to Moorpark Avenue to the intersection with Unit 2.

Contracts were awarded Tuesday afternoon at the meeting of the board of directors of Sanitation District Four.

Lloyd Bruce Abernathy, Campbell Union High School student and member of the Future Farmers of America, receives the certificate indicating the \$2000 four-year scholarship award presented by Standard Oil Company of California for outstanding performance in the Future Farmer division of the Junior Livestock Exposition held at the San Francisco Cow Palace. Scroll was presented Tuesday at the high school in presence of the entire student body, by Ken Nisbet, San Jose manager for Standard Oil. Shown above, left to right, are Bruce's mother, Mrs. J. T. Abernathy of Lovell Avenue, Bruce and Nisbet. The actual scholarship fund will be transferred to the college Bruce will enter this fall, California Poly Tech.

Bruce Abernathy Wins \$2000 Scholarship For Future Farmer Entries at Cow Palace

Bruce Abernathy, 1077 Lovell Street, Campbell, received a Standard of California \$2,000 scholarship award before the student body of Campbell High School last week from Ken Nisbet, Standard's San Jose manager, in recognition of his outstanding performance in the Future Farmer division of the recent Junior Livestock Exposition held in San Francisco's Cow Palace.

This top Future Farmer award was given Bruce on a basis of his showing at the exposition, in addition to high standards of leadership, scholarship, and personality. Former president of the Campbell Union High School student body and an ex-football player, his entries in the show consisted of four "star" choice Duroc Jerseys, one choice Duroc Jersey, one choice Poland China, and one good Poland China. The award also was based on showmanship in the contest.

Bruce's swine brought over-market prices of 24 cents a pound after he placed sixth among more than 30 finalists in the swine showmanship contest. Campbell Union High School students' activities were under the direction of Albert Smith, school vocational agriculture supervisor. Currently employed since high school graduation at the Orchard Supply Company's W. San Carlos Street store, Bruce plans to enter California Polytechnic this fall.

Editorial

Campbell is growing faster than any other comparable community in the state. According to a pre-census population analysis, Santa Clara County has increased in population 66.4 percent. Campbell is situated centrally in that area. Its growth trend is without a doubt much greater than the county average due to the fact that Campbell is located adjacent to San Jose. It is interesting to note that the national increase in population between 1940 and 1950 is 12.4 percent whereas the local increase is over five times the national average.

Naturally, this terrific increase in local population reflects in the enrollment figures of our local schools. The schools must, of necessity, from time to time increase their personnel and facilities to maintain the high standard of education that they have maintained for many years. It therefore becomes necessary when the district schools reach a saturation point of enrollment to build new classrooms to house new students. Cost of such construction must be borne by the taxpayers.

Campbell Union High School board of trustees have asked taxpayers to support a bond issue for \$950,000 at a special election called for Tuesday, May 16, for the purpose of providing classrooms for 750 new students; expanding library and study facilities; new shops; swimming pool; additional school site; home economics building; music building; girls' gym; cafeteria and laundry; equipment for new buildings; additional athletic facilities such as showers, lockers, football stands and lights, additions to boys' gym, outside courts, expansion of baseball field and parking areas.

According to a recent survey there are more pre-school age children in the Campbell area at the present time than there are children enrolled in local schools. These children will before long make demands on the local schools that will tax the resources of school personnel if more room is not made available.

The Campbell Press, therefore, wholeheartedly supports the local high school board in their efforts to maintain adequate facilities and room for present and future students and suggests a "Yes" vote on May 16.—EWB.

Zone Painting and Sign Installation Nearly Completed; Traffic Citations Due

A crew from the department of County Road Commissioner Robert D. Chandler began the task of painting parking and no-parking zones along Campbell Avenue late this week, in preparation for the expected enforcement of the recently adopted County Parking Ordinance for unincorporated areas. California Automobile Association is installing the upright metal signs.

Although the ordinance took effect February 19, it could not be enforced until signs had been installed and zones designated.

Mel Duffey, district manager of the CAA, through which the signs were ordered, said the types of signs being installed include two "15 minutes only," two "No Parking Between Signs During Performance" for the Campbell Theater street front, 35 "2-Hour Parking Limit," and three arterial "Stop" replacements.

AREA COVERED

When the signs and zones are in, Campbell Avenue from Winchester Road to the railroad tracks will be under a general two-hour parking limit regulation. There will be a 15-minute limit in front of the Campbell Postoffice, no parking in front of the fire station or within 15 feet of the various hydrants, no parking in front of the Campbell Theater during performances, angle parking permitted in front of the elementary school with no time limit. Bus passenger loading zones will be provided on the east and west sides of Central Avenue near the corner of the Campbell Avenue intersection, a taxi stand will be located on the west side of Central Avenue near the intersection, and a loading zone on the east side of Harrison Avenue from the Campbell Avenue intersection north for 310 feet.

Actual enforcement of the ordinance will begin: (1) when the zone painting and sign installation has been completed, and (2) when traffic citations, now being printed by the Campbell Press, are in hands of the Volunteer Legion Patrol and County Sheriff's office. Printing of the citations will be completed by the middle of next week.

Each new officer will receive an outline of her duties for the year.

Outgoing and new officers of the Campbell Elementary School Parent-Teacher Association and committee chairmen will meet at the home of the president, Mrs. Lloyd Brown, 811 N. San Jose-Los Gatos Road, next Monday, April 17, from 10 a.m. to 1 p.m.

This will be a potluck luncheon. Those attending are asked to bring either salad or dessert, no hot dishes.

Each new officer will receive an outline of her duties for the year.

TEN CAMPBELL FUTURE FARMERS TAKE HONORS AT LIVESTOCK SHOW

Ratings of "star", choice, good, and medium were placed on the 23 entries of ten Campbell Future Farmers who competed in the recent Grand National Junior Live Stock Exposition held in San Francisco's Cow Palace.

In addition to the awards for the prize-winning hogs, the Future Farmers achieved a Certificate of Merit for the Campbell chapter for excellence of hogs, equipment and pens.

WINNERS

Crowning event of the awards was the winning of a \$2,000 scholarship by Bruce Abernathy. Other awards were won by Dick Abernathy for two good Poland Chinas and one choice Hampshire; Artie Alvares, one choice light-weight Poland China; Melvin Blue, one "star" choice Hampshire; Richard Farnham, one choice Hampshire, two choice Crossbreds; Charles Gibbins, one "star" choice Hampshire, one good Hampshire, one good Berkshire; Harley Thompson, one choice Crossbred, one good Hampshire; Richard Chapman, one good Duroc; Roland Williams, one good Duroc-Jersey, one medium Duroc-Jersey; and Frank Weltz, one choice Hampshire.

In addition to the highest award, Bruce Abernathy also placed sixth among more than 30 finalists in the swine showmanship contest. Richard Farnham captured a 140-pound greased pig in the greased pig scramble.

Campbell Future Farmers stayed at the Cow Palace from Saturday, April 1 to Thursday, April 6. Activities included the National Intercollegiate Rodeo finals, a dance for Future Farmers and 4H club exhibitors, attending the opening home game of the San Francisco Seals, and a banquet at the Palace hotel.

Campbell Union High School's tennis team defeated Santa Cruz, 5-2, Tuesday, April 11, on the winner's courts.

The summary: singles—Yamato (C) d. Crampton, 6-2, 6-0; Baxter (C) d. Yee, 6-0, 6-1; Shanrock (C) d. Breckon, 6-4, 7-5; Barton (C) d. Brown, 6-1, 6-1; Gittins (SC) d. Campbell (C) 3-6, 11-9, 6-1; doubles—Herschbach and Taylor (C) d. McLoncton and Crampton, 6-4, 6-4; Diggins and Pokriots (SC) d. Mason and Shepardson, 6-4, 6-1.

Play Production Poses Problems For Footlighter Properties Dept.

Has anyone a large picture of Calvin Coolidge?

Putting on a play is not merely a matter of speaking lines and taking bows, as the property committee of the Footlighters is discovering in the search for the rare items needed for its forthcoming production of "January Thaw."

The Calvin Coolidge picture, a coffee grinder made into a lamp, an old-fashioned churn, an ox yoke, a cobbler's bench and a pair of high buckled overshoes are only a few of the collectors' items on the property list for the play. These are needed to complete the atmosphere created by the rather elaborate setting which now is nearing completion.

To be presented April 21 and 22 at Campbell Union High School auditorium, the production will benefit the Cambrian Home and School Club.

Anyone who has, and is willing to lend, any of the oddities mentioned above is asked to phone Dean Chamberlain at Campbell 3375, or Irene Hodges at Campbell 2274.

Lt. Gov. Owen Pays Visit To Local Kiwanis

Mr. Verne Owen of San Jose made his official visit to the Campbell Kiwanis Club in his capacity as Lt. Governor of Division 12. Twelve visitors from other clubs were present; four from Santa Cruz, three from San Jose, four from Los Gatos and one from Fresno.

The speaker gave a talk on the "Kiwanis Objectives for 1950," stressing the work of various clubs of the country in youth activities. One of the projects of the International is to promote a week of "What's Right in America" propaganda instead of the headlines of subversive activities. With this in mind, the San Jose Kiwanis Club is planning a full week in July which will include events on July 4th.

Lowell Benson was presented a certificate from Kiwanis International for a very successful year in 1949. High school guest of the club this week was Miss Pauline Cleveland, introduced by C. P. Klassen.

In addition to the speaker, a group of piano numbers was given by Miss Lorraine Wood, who chose as her presentation: 1. "Prelude" in G Minor by Rachmaninoff and 2. Piano Concerto in G Minor.

L. E. "Bill" Means acted as the chairman of the day, and announced that next week would be Ladies Night with the program on the "Growing of Roses." Speaker will be Prof. Wells and pictures will be shown.

Moorpark PTA Hears Report On TV Development

That "television is here to stay," was the conclusion of Mrs. Charles Suffield, radio chairman of the El Paradiso Council, when she spoke at the Moorpark Parent-Teacher Association meeting Tuesday, April 11, in the school auditorium. Her subject was "Radio and Television—Today and Tomorrow."

Also on the meeting's program was a demonstration by children of Moorpark school's third grade who supplemented a talk by Mrs. Ruth Stuart, coordinator for the Campbell school district, on audiovisual education. She illustrated how school subjects can be taught through the media of hearing, seeing, and doing.

Mrs. Eugen Andres, outgoing president of Moorpark PTA, invited all members to attend the state convention to be held at Santa Cruz May 3, 4, and 5. She reported that many accomplishments of the group had received recognition at a recent meeting of El Paradiso Council. A luncheon at the home of Mrs. Howard Womer Tuesday, April 18, will honor new and retiring officers, according to Mrs. Andres.

A report by Mrs. Clyde Dearborn, chairman of a committee to obtain a Westside County Library, resulted in the group's voting a donation of \$15 toward its rental. Mrs. Dearborn reported that the county will provide books and a librarian if the community obtains housing.

NEW OFFICERS

New officers of the group were installed with Mrs. Edward Reynolds as installing officer. Mrs. Vincent Gorman and Mrs. M. E. Graham pinned corsages on the following new officers and chairmen: Mrs. Howard Womer, president; Mrs. Jerry Ginney, vice-president; Mrs. W. J. Raab, secretary; Mrs. John Abero, treasurer; Mrs. William Walker, historian; Mrs. Eugen Andres, parliamentarian, and Mr. John Duncan, auditor.

Mrs. Womer, newly-installed president, presented Mrs. Andres, outgoing president, with a past president's pin.

Other officers are: Mrs. Lester Breeding, budget and finance; Mrs. Ralph McKee, community service; Mrs. Richard Overacker, membership; Mrs. Edward Bevin, magazine; Mrs. Wade Brummel, publicity; Mrs. Bert Johnson, hospitality; Mrs. Angelo Troia, Founders' Day; Mrs. Jack Flournoy, room representative; Mrs. Clyde Dearborn, study group; Mrs. Robert Berry, recreation; Mrs. Hugh Boyle, health and child welfare; Mr. Marcus Swengel, safety; Mrs. Jerry Ginney, program.

Refreshments were served by kindergarten mothers following the installation ceremony.

Re's Market Plans Anniversary Event This Weekend

Dick and Ed Lazzarini, owners and operators of Re's Market, 690 E. Campbell Avenue, will observe the second anniversary of the market this Friday and Saturday with a sale and scheduled special events.

Ko-Ko, the Pillsbury clown, will be on hand Saturday. There will be balloons for the children, plus other specialties.

The Lazzarinis, in a public statement, expressed their thanks to Campbell residents and those from the surrounding area for their support and cooperation during the past two years.

To Hear M. Walsh

Attorney Martin S. Walsh, candidate for Campbell Justice of the Peace, will be the guest speaker at the Los Gatos Lions Club meeting April 19 at Hotel Lyndon. Walsh will have as his subject, "Early California History and Events Surrounding Admission of California to the Union."

Patrol Fund Lags; Work Increases

Only one donation was received for the Campbell Volunteer Legion Patrol this week, as members prepared to contribute even more of their time to enforcement of the county parking ordinance as it affects the Campbell commercial area. Zones and signs for the ordinance were being installed and painted this week.

In addition to their coming volunteer work in behalf of the parking ordinance, the patrol, as deputy sheriffs, will continue their general law enforcement efforts in the district.

INSURANCE

Public liability and property damage insurance covering the 21 patrol members was issued this week. Total cost will be \$128 per year, and provides \$200,000 coverage for one accident; \$300,000 for two or more accidents, and \$5,000 property damage.

Now that the volunteer patrol has insurance coverage, it would be possible for it to purchase a regular patrol car if there were sufficient donations of funds; however, the total amount subscribed to date is little more than \$600. Members now use their own cars, or a car loaned by one of the members.

Anyone who has not contributed, or who wishes to increase his contribution may send it to the Campbell Volunteer Legion Patrol, P. O. Box 748, Campbell. These men have been deputized by the County Sheriff, and though they serve without pay, have the same authority as a deputy sheriff.

Last year, when increasing juvenile delinquency, vandalism and a minor crime wave threatened this district as well as other unincorporated areas of the county, these men volunteered to assist regular law enforcement officers in the county. After undergoing training courses and investigation, they were deputized for this purpose.

Each member of the patrol contributes a certain part of his free time, and sometimes time away from his regular employment, to carry on the patrol's work. When the enforcement of the parking ordinance begins, probably within the next week, they will make spot checks of the regulated area, and will appear with those motorists cited in the local Justice Court.

In view of the increased work, the insurance and materials costs, it is vital that there be sufficient money in the patrol fund to meet expenses.

To Be Interred In Native Kansas

Mrs. Edna Pearl Sullivan, 49, resident of Campbell for the past two years, died yesterday afternoon at her home, 138 Dillon Avenue. She was a native of Kansas and the wife of Mr. D. P. Sullivan of Campbell.

Funeral services will be conducted tomorrow at 2:30 p.m. from the Rutherford Funeral Home, Campbell. Remains will be forwarded to Atchison, Kansas, for interment.

Besides her husband, Mrs. Sullivan leaves two sisters, Mrs. Elizabeth Olds of Ottawa, Kansas, and Mrs. Minnie Petty of San Jose, and a brother, Otto Laird of Los Angeles.

F. A. Reese Named To Job Survey

Forrest A. Reese of Campbell has been appointed to the committee conducting the large-scale employment survey in the county, Leland Prussia of the San Jose Chamber of Commerce Employment Survey Committee announced this week. Purpose of the survey is to establish job supply, demand and turnover. Information will be used in vocational guidance of college and high school students and in supplying information to persons and industries new to the county.

Orchard Grange Fetes Past Masters At Potluck Affair

Past masters of the Orchard City Grange were honored at its April 11 meeting and potluck dinner held in the IOOF Hall.

Following the dinner, former masters of the organization, Robert Scholz, Stanley B. Smith, William Coupland, Harry Barnes, Werner Raab, Jessie McChesney, M. F. Hughes, J. C. Gordon, and Herbert Shadle, were introduced and called upon to speak.

Also present were the only living charter members, Mrs. Charlotte Sutter and Mrs. Jessie Campbell.

Wesley Youngclaus lectured before the group. Entertainment also was furnished by Miss Dolly Atkinson who sang, and Miss Gail Rodriguez, who played violin selections.

Those present noted the record set by Bruce Abernathy, former Campbell High School student body president and a Future Farmer, who took top honors of a \$2000 scholarship in the livestock raising exposition sponsored by Standard of California. The local Grange's present public service project is to aid Future Farmers in which capacity they helped Bruce buy feed for his stock.

Featured in the business part of the meeting were announcements of coming events. They included a Grange picnic to be held June 24 at the Odd Fellows Home in Saratoga with the Orchard City and Cupertino Granges participating, a home economics meeting scheduled for today at the home of Mrs. Leone Keesling, and a next Grange meeting to present Laurance Hill, superintendent of the Campbell Union High School district, lecturing on the need for the school bond issue.

Other announcements revealed that September 30 is the closing date of the Grange sales slip contest and that at the next meeting a silver offering will be collected for the Red Cross.

Mr. and Mrs. A. J. Emery and Mrs. Edna Flagg headed the dining room committee for the potluck dinner.

\$75,000 Suit Against Driver

James A. Campbell was named defendant in a \$75,000 damage suit filed in Superior Court this week by Mrs. Margaret Allhouse who seeks the amount for injuries suffered by her daughter, Jean Kathleen Allhouse, 3, when she was struck by Campbell's car on March 22.

Mrs. Allhouse is represented by the law firm of Callaghan and Giannini and Attorney Peter Anello.

Homer Hyde Heads Nixon For Senator Committee Here

Homer Hyde, prominent Campbell civic leader, has been named chairman of the Campbell "Nixon For Senator" committee, it was announced today by John E. Lon-

Congressman Richard Nixon

ginotti, San Jose, chairman of the Santa Clara County group.

Under Hyde's direction, the committee is completing plans for Congressman Nixon's forthcoming visit to Campbell Monday, April 17. The congressman will arrive in Campbell at 4:10 p.m. for a brief address.

During his two terms in the House of Representatives, the 36-year-old Congressman has been named twice by the United States Junior Chamber of Commerce as one of the ten outstanding young men in the nation. As a member of the House Un-American Activities Committee, Nixon broke the famous Hiss case. He has worked diligently to uncover subversive activities in the federal government and with Congressman Carl Mundt, Nixon co-authored the new famous Mundt-Nixon Communist Control Bill.

Nixon has a distinguished record as a legislator having served as a member of the House Committee on Education and Labor, and on the Herter Committee which surveyed European needs prior to enactment of the European Recovery Program.

WE SALUTE OUR WOMEN'S CLUB'S

Those groups of our local women who have organized themselves into Clubs, deserve the unstinted commendation of all of us! There are bridge clubs. There are self-improvement clubs. There are clubs whose charitable work among the needy exemplifies the finest traits of American womanhood. Most of these are home women, women with families and all the cares of home management. Yet they find time for richly-deserved recreation, as well as charitable activities. They are making the most of their busy lives . . . and we heartily applaud their feminine proclivities. Let's give them generous support whenever they request it!

Applicants for membership in the new Veterans of Foreign Wars Post of Campbell now total considerably more than the number required to make application for a charter, organizers of the group revealed this week.

At the meeting last Friday night in the library building, six new applications were received and plans were made to hold an open meeting on May 21 before the charter application is submitted to national headquarters. After the charter is received by the Campbell post, it will be kept open for 90 days for the convenience of those veterans who wish to become charter members.

District Deputy Chief of Staff, north, Robert E. Murray complimented the local group for the work it has accomplished and assured members of the full support of department headquarters in instituting the local post. Impressive ceremonies will mark the post's formal organization. District and department officers, state, county and local notables will be invited to attend the instituting rites. Plans for the event will be discussed at succeeding meetings.

Meanwhile, there will be another gathering at the home of Charles A. Chubb, 681 Emory Avenue, tonight at 8 o'clock, to receive new members and to discuss matters relative to supplies and post colors.

Veterans interested in joining the post may phone Campbell 3002, Campbell 2778, CY 5-2950, or Campbell 4374 for information.

LETTERS TO THE EDITOR

Opinions expressed in letters to this department do not necessarily reflect the editorial policy of this newspaper.—Ed.

Editor The Campbell Press

Dear Sir,

The most important topic for discussion these days in the Campbell School District is the Bond Issue. We parents of children now in high school here, realize the need of larger classrooms and extra space even more than some of the others in our community. It is most difficult for students to obtain knowledge in school under crowded conditions. This is equally true in actual study rooms or in their sports.

With a need for more space already urgent in our High School, just picture the conditions in three years or less with the enrollment doubled. The Campbell area is the one that we have selected to live in and bring our children up in, mainly because of the high standards of education in our schools here. With these facts in mind, please let us all get out and vote YES for our school bond in the coming election. Mrs. F.O.S.

LOUIS Provenzano DEMOCRATIC CANDIDATE Assemblyman 28th District Primary Election—June 6, 1950

WATER

WHERE PRIVATE ENTERPRISE AND INITIATIVE HAS FAILED OR CANNOT DELIVER SUFFICIENT WATER SUPPLY in any given area to sustain its population and industries, then it becomes the duty of the state to see to it that the proper development and delivery of the water is made from other sources. I do not believe in confiscation or condemnation of any man's property, but a fair and proper remuneration to be given in the purchase or acquisition of the utilities in question.

I ADVOCATE the compulsory development of our water sheds, by building hundreds of small catch basins, retaining dams and reservoirs, in the surrounding areas. This can be done while our leading conservationists continue on their studies and lot of talking about big dams, that won't be filled for years. It's about time to be more practical and let's get to work.

HOUSING

WHERE private lending institutions have become too conservative and overcautious to loan money to low-income groups, then the low-income groups should be privileged regardless of area, to procure loans on long terms and low-monthly payments, for the construction, clearance of slums, and modernization. The loans to be made on the same basis as the veterans loans. This will stimulate constructions, employment and rehabilitation.

EVERY LEGISLATOR should have one thought in mind regarding decent housing, and that is to make every CALIFORNIAN home conscious. A happy home is a good investment, reduces the present wave of delinquency and crime. It is good for industry, the mining, timber, electrical and automotive industries, for the materials used creates general employment.

NATURAL RESOURCES

INVESTIGATE THE ACTIVITIES OF THE CALIFORNIA STATE DIVISION OF MINES and demand a report to the people by our present representatives why the purchase of vital strategic materials abroad which are mostly mined by cheap peonage and slave labor. While our mines are shut down under bureaucratic regulations, creating a STOCK PILE OF UNEMPLOYED. That we AMERICANS be allowed to sell our silver, gold and other strategic minerals on the open markets. That the small miners who have been denied a fair remuneration of his developments and properties and equipment especially in national monuments, causing shut downs, losses and unemployment, these on orders of governmental bureaucrats, both Democratic and Republican. I will support any measure advocating the return to the GOLD STANDARD and an adequate price for gold.

MINERS and people employed in factories are not farmers, but they do consume the product of the farm.

OUR NATURAL RESOURCES, TIMBER, FISHERIES AND MINING SHOULD NOT BE IGNORED, AS THIS MEANS HOUSING, RECREATION, HEALTH, COMMERCE AND EMPLOYMENT. WHAT IS GOOD FOR INDUSTRY IS GOOD FOR THE FARMER, FOR THE FARMER PRODUCES THE FOODS AND MANY PRODUCTS CONSUMED BY INDUSTRY. THIS IS GOOD SOUND AMERICANISM.

Louis Provenzano Is Candidate For Assembly Post

Louis Provenzano, Democratic candidate for the post of State Assemblyman from the 28th District, announced today that he is seeking the office "as a citizen who is and

always was interested in the progress and welfare of the community and state." A native of San Jose, he is a veteran of two world wars. Provenzano has a record of nine years active Navy service, and he is a member of American Legion Post 399, Memory Post. He served as Veterans Service officer for several years and was junior vice-commander at the outbreak of the war.

Interested in youth activities,

Boy Scouts, Sea Scouts and Sons of the Legion, the candidate is a family man and is, at present a realty office manager. In the past he has been a hardrock and hydraulic miner.

"I believe that this wide active experience in various fields, coupled with the understanding of customs and habits of different nationalities, is an asset," he stated in announcing his candidacy.

"I believe in the practical development and conservation of our natural resources, water, power, timber, fisheries and mines. Just because this district has been primarily a farm area, it is vital that these industries be helped, for what affects those industries affects farming. Our goods grow on the farm, dairies and ranges, are consumed by the people connected with those industries.

"I believe in private enterprise

and initiative; I have always been partial to it, but if private enterprise cannot cope with a situation and a mass of people and cautious capital, stymies the progress of venturesome capital, to develop these resources, then it becomes the duty of the state to assist where it will do the most good and that is the American Way.

"As a practical man I have found, and the records show that many of our leading conservationists and paper engineers have been studying too much of our problems and do nothing about it. These men shall be relegated to the same position of studying and a practical change made in our legislative offices by electing Louis Provenzano, Assemblyman, 28th District."

three MUSICAL PACK O' FUN packages for pre-school children. Pack contains a seven-inch non-breakable record, coloring book, punch-out toys, rhymes to read and cut-outs. The three are called NURSERY RHYMES, NURSERY GAMES and NURSERY LULLABIES. Tempo on the games seems a little fast to me. Haven't had time to check on it with a group of children yet. LULLABIES are lovely, the singer has a pleasing voice, and is supported by an organ.

CLASSICAL RECORDS: The virtuoso-folk-tune concerto SCOTTISH FANTASY (Victor LM-4) by Max Bruch with Jascha Heifetz violinist, the RCA Victor Symphony Orchestra, William Steinberg conductor and Stanley Chaloupka, harp, is a welcome addition to the Long-Playing catalogue. Bruch used a set of Scotch folk melodies with striking effect in this richly colorful concerto. Heifetz plays the tricky virtuoso passages with verve and the lovely melodic phrases with a poignant beauty.

The five volumes of the GREAT MASTERS OF THE KEYBOARD (Columbia) comprises one of the most exciting events in the recent history of the record industry. Taken from player piano rolls made during the early part of the century, these five volumes present the great composers playing their own compositions. The list of artists reads like a Who's Who of great pianists. Don't expect the piano on these records to sound like the piano on recent exceptionally good LP's. However, the sound was so much better than I had hoped for that I was very pleasantly surprised. The real thrill comes from the dynamics, the phrasing, the very personality of the composer and not from the technical reproduction of the sound.

Two of Sir Edward Elgar's early compositions are coupled on one LP record—COCKAIGNE OVERTURE & THE WAND OF YOUTH SUITE NO. 1, (London LLP 43), the London Philharmonic Orchestra, conducted by Eduard Van Beinum. Elgar wrote the pieces in the Wand of Youth Suite when he was twelve years old, for a play for the neighborhood children and then some forty years later transplanted them into orchestral settings. This is charming fairy-land music. The Cockaigne Overture is a series of scenes in London at the turn of the century, containing everything from a military band to lovers strolling through the park. Even the Salvation Army band makes a brief appearance. Light, gay and refreshing music that will lift your spirits.
